

UC-AFT VP for Unit 18's Report
January 21, 2023
Activities since October 2023 Council Meeting

Narrative

Since October, I have primarily been involved with preparations for bargaining at Preuss Academy at UCSD. I have helped Angel and the members at Preuss construct a table team and begin to plan for negotiations to begin in February. Bill and I conducted an orientation and training for the Preuss TT members, and are planning to provide more training opportunities in the months ahead.

I also participated in bargaining with UFRE regarding the part time administrative assistant position. I worked with Katie and Nancy to receive UFREs proposals and develop counters. We will be meeting later this month to negotiate again and hopefully finalize a side letter.

Other than that, I participated in Executive Board meetings, and contributed to discussions about plans for the year ahead. I talked with Bill and Katie about beginning to connect contract campaign issues (like workload) into our work with stewards and CATs.

I was traveling for much of December, and was not extremely active over the break.
