

UC-AFT Stands with the California Faculty Association

UC-AFT Local 1474, the union of 6,000 teaching faculty and librarians in the University of California, supports the 29,000 California Faculty Association professors, lecturers, librarians, counselors, and coaches at the 23 CSU campuses as they prepare to strike this week, January 22-26, 2024.

CFA bargained in good faith throughout 2023 for community well-being, safety on campuses, appropriate workload, adequate paid parental leave, and wages that keep pace with the cost of living and set a livable minimum standard for all faculty. CFA refuses to accept CSU management's austerity measures that shift funding away from classrooms, labs, libraries, athletics, and counseling centers.

UC-AFT stands with CFA members, leaders, and their students and allies as they reaffirm that faculty and university workers' working conditions are student learning conditions.

In solidarity,
