

VP for Organizing

Officer Report – June 24, 2023

I have worked on the following as VPO:

- Led the training and support for three member organizers funded by a CFT grant: Craig at UCB and Milka and Helen at UCLA
- Led the U18 Statewide Organizing Committee towards membership goals (we reached 52.6% with a goal of 55%) and into a new process of setting CAT development goals (we reassessed and solidified 100 previous CATs and added 29 new CATs)
- Supported a UCD campaign to defend Erik Peregrine, producing the poster we delivered to administrators.
- Worked with Katie to develop and implement Phase 1 on the anti-layoff campaign, collecting 3000 letters to administrators
- Visited UCSD twice while they had no staff and spent several days organizing and meeting with leaders there
- With Iris and Bill, designed and began the implementation of next year's steward training program.
